

Rodeo City Roller Derby 2023-2024 Season Sponsorship

As Ellensburg's flat track roller derby league — established in September 2010 — we have been thrilled to play to sold-out, standing-room-only crowds. Even more, we're truly grateful for the amazing support we receive from the Ellensburg community.

In addition to providing a fun outlet and entertainment to the Ellensburg community, we are also committed to giving back. Our league is actively involved in community service and events – we love connecting with the community and helping wherever we can. We can't wait to start our new season and continue to share our love of this sport with the community.

Reasons Why We Need Sponsors Like You

Practice Space — RCR is on the lookout for a permanent, dedicated space for practice and bouts, and the funds to support that space. In-kind donations of space are tax deductible!

Skater Scholarships — Roller derby is a great way to stay active and meet people, but getting started in derby can be expensive. In 2021, RCR established a skater assistance fund to help skaters overcome financial hurdles. Your funds can help keep more skaters rolling!

First Aid Supplies & EMT Personnel — First aid kits must be kept current with fresh supplies, and emergency medical personnel are present at all bouts to ensure the safety of our skaters.

Travel Expenses — Compensation for visiting guest coaches and refs, funds to offset gas and lodging expenses associated with "away" bouts.

Help Support the Rodeo City Roller Derby!

RCR is a 501(c)3 nonprofit, so your donation is eligible for tax credit!
